

Workshop “Geodynamics, earthquakes, and volcanism in subduction zones”

SECOND CIRCULAR

The workshop will take place from 8 to 14 of September 2019 in Kamchatka, Russia.

Preliminary program:

- ✓ September 8 - arriving to Petropavlovsk-Kamchatsky, registration, icebreaker
- ✓ September 9-10 - sessions of scientific presentations at the Institute of Volcanology and Seismology
- ✓ September 11-13 - field trip to the Klyuchevskoy Group of Volcanoes
- ✓ September 14 - departure from Petropavlovsk-Kamchatsky

Covered scientific topics:

- ✓ Multi-disciplinary studies of volcanoes in Kamchatka and in other subduction zones
- ✓ Multi-disciplinary studies of earthquakes in Kamchatka and in other subduction zones
- ✓ Geodynamics of large volcanic systems
- ✓ Geothermal systems
- ✓ Analysis of large geophysical datasets
- ✓ Citizen seismology

Important dates:

- ✓ April 1 - starting abstract submission
- ✓ August 15 - finalizing scientific program
- ✓ September 8 - beginning of the Workshop

Organizing scientific committee:

Nikolai Shapiro

Alexey Ozerov

Danila Chebrov

Valentin Mikhailov

Tatiana Pinegina

Ivan Koulakov

Evgeny Gordeev

IlyasAbkadyrov

Oleg Melnik

Vladimir Smirnov

Oksana Evdokimova

Claude Jaupart

For additional questions please contact:

Nikolai Shapiro: nshapiro@ipgp.fr

Evgeny Gordeev: gordeev@kscnet.ru

Valentin Mikhailov: mikh@ifz.ru

Practical information:

- The workshop will take place at the Institute of Volcanology and Seismology of the Far Eastern Branch of the Russian Academy of Sciences located at:
9 Piip Boulevard, Petropavlovsk-Kamchatsky, 683006, RUSSIA
- All communications will be done in English
- Hotels in Petropavlovsk-Kamchatsky can be booked in international booking sites like [BOOKING.com](https://www.booking.com) and [hotellook.com](https://www.hotellook.com). The booking in Petropavlovsk-Kamchatsky will not be required for two nights during the field trip: 11 and 12 of September.
- Non-Russian participants might need a visa. For information about visa formalities and official invitations please contact Oxana Evdokimova :evdokimova@kscnet.ru.

Field trip to Klyuchevskoy Group of Volcanoes:

The goal of this field trip is to visit the largest volcanic system in Kamchatka (and one of the largest in the World). The Klyuchevskoy Group of Volcanoes is located ~350 North of Petropavlovsk-Kamchatsky and the field trip is planned during 3 days. Day 1- driving from Petropavlovsk-Kamchatsky to Kozyrevsk (a village at the foot of Klyuchevskoy volcanoes). Day 2 - visiting sites of 1975 and 2012 eruptions of the Tolbachik volcano. Day 3 - driving back to Petropavlovsk-Kamchatsky. During two nights, the participants of the field trip will stay in a small hostel in Kozyrevsk. The detailed plan of the field trip can be modified depending on the weather conditions.

Workshop is Co-organized by:

Schmidt Institute of Physics of the Earth RAS

Institute of Volcanology and Seismology FEB RAS

Kamchatkan Branch of the Geophysical Survey RAS

Moscow State University

Ambassade de France en Russie

Institut de Physique du Globe de Paris, France

Centre National de la Recherche Scientifique, France

European Research Council

Co-sponsored by:

“Megagrant” program of Ministry of Science and Education of Russian Federation (grant N 14.W03.31.0033);

European Research Council, Project 787399 – SEISMAZE;

Ambassade de France en Russie
