

INSTITUTE OF COSMOPHYSICAL RESEARCH AND RADIO WAVE PROPAGATION FEB RAS
SOLAR-TERRESTRIAL RELATIONS AND PHYSICS
OF EARTHQUAKE PRECURSORS

October 17 — 21, 2018, Paratunka, Russia

<http://www.ikir.ru/ru/Events/Conferences>

**9th International
Conference**

Dear Colleagues!

According to the Plan of meetings, conferences and workshops approved by the Federal Agency for Scientific Organizations, Institute of Cosmophysical Research and Radio Wave Propagation FEB RAS holds the **IX International Conference «Solar-Terrestrial Relations and Physics of Earthquake Precursors» on October 17-21, 2018** and **III All-Russia School for Young Researches «Geospheres and Space» on October 22-23, 2018** devoted to the 60-th anniversary of the Faculty of Physics and Mathematics at «Vitus Bering Kamchatka State University».

The official languages of the Conference and the School are Russian and English.

Themes of the Conference and the School

1. Atmosphere physics (including solar activity effects on atmosphere dynamics);
2. Geophysical fields and their interactions;
3. Physics of earthquake precursors.

Forms of Presentations of the Conference and the School

1. Personal participation with oral presentation;
2. Personal participation with a poster;
3. Oral presentation via videoconferencing.

Preliminary Schedule of the Conference

October 17, 2018 – registration of the participants, plenary presentations;

October 18-20, 2018 – session presentations;

October 21, 2018 – excursions.

Accommodation: Participants will be accommodated at the Hotels near the Institute.

Organization fee: 3000 rubles for the participants and 500 rubles for students and postgraduates.

The abstracts will be published by the beginning of the Conference. On the decision of the Scientific Committee and if an author agrees, some reports are supposed to be published in «E3S Web of Conferences» (<http://www.e3s-conferences.org>) indexed by the main international reference systems and in a special issue of the scientific Journal “Bulletin of CRAESC. Physical-Mathematical Sciences” (<http://krasec.ru>) included into the VAK list. The manuscripts submitted for publication should be from 4 to 15 pages long, based on the requirements of the suggested journals.

Preliminary registration of abstracts and reports will be open on April 2 on the site:

<http://conference.ikir.ru>

Report files should be submitted via the registration form on the site <http://conference.ikir.ru> until June 25, 2018.

Text should be formatted according to the guidelines for authors of a Journal.

One author may be a co-author in not more than two articles in each journal.

The Scientific Committee has the right to move a report to another section and to reject the publication of a report based on its content or text format nonconformity. In this case the authors will be informed.

For the Journal «E3S Web of Conferences», the guidelines for authors are available through the link (one-column layout) <http://www.e3s-conferences.org/for-authors>. The report is to be in English. Report pdf-file should be submitted to the Organizing Committee.

For the Journal “Bulletin of CRAESC. Physical-Mathematical Sciences”, the guidelines are available through the link <http://krasec.ru/avtoram/>. The report is to be submitted in Russian and in English. Please, pay your attention that according to the requirements of this Journal, the text should be in LaTeX format only.

Key dates:

April 2, 2018 – beginning of preliminary registration, submission of titles and abstracts of reports;

April 27, 2018 – deadline for preliminary registration of titles and report abstracts;

May 21, 2018 – notification of authors on the acceptance of their reports into the program;

June 25, 2018 – deadline for report submission;

October 17, 2018 – registration of the participants.

Welcome to

IX International Conference

«Solar-Terrestrial Relations and Physics of Earthquake Precursors»

October 17-21, 2018

and to

III All-Russia School for Young Researches «Geospheres and Space»

on October 22-23, 2018

Organizing Committee
